24 HOUR SERVICE

## FOR ALL YOUR HVAC NEEDS!

\$25 OFF

The Most Effective Whole-Home Air Filtration System in the nation!

Removes up to 99.98 percent of allergens from the filtered air.

Catches particles down to .1 micron in size.

Eight times more effective than the best HEPA room appliance.

Reusable filter can be cleaned by vacuuming.

100 times more effective than a standard one-inch throwaway filter or ionic-type room appliance.

## Honeywell

\$25 OFF

### Mobile Solutions

RedLink Solutions brings various system diagnostic tools and controls directly to your smartphone, tablet, laptop, or home computer.

Controlling your thermostat through your mobile device, sending diagnostic information directly to your comfort technician, adjust your zoning and even adding home security mobile monitoring are all made possible through Honeywell. Call us for more information.

## GPS

Global Plasma Solutions

\$100 OFF

Global Plasma Solutions' patent pending technology produces positive and negative ions ( Cold Plasma ) in the air stream which treats the inside of the air conditioning equipment, duct work and then enters and purifies the entire home. It effectively eliminates bacteria, virus, mold and volatile organic compounds by working directly on the air contained in the entire zone and duct.

In addition, odors are controlled such as ammonia, formaldehyde, cooking odors, bathroom odors, musty & mildew odors as well as other odors produced by the occupants and building furnishings and processes.

Whether you have a single uncomfortable room, you're renovating your entire house, or you're building a home from scratch, Mitsubishi Electric has a Zoned Comfort Solution™ that fits your unique needs. Because our systems focus on individual living spaces rather than treating every room the same, it's more customizable, more energy efficient and easier to install. Call today to receive \$500 off a Mitsubishi multi-zone system.
